**First Vice President's Report**

**February 21, 2015**

Report as First Vice President since the November 15, 2014 Meeting.

December 8, 2014 the Connecticut Society of the SAR presented the SAR Flag Certificate to Tyrone "Woody" Woodyard on behalf of Sikorsky Aircraft Corporation. Those present were Bob Rivard, Ethan Stewart, Ed Isaacs, John Harrison and Rich Forselius. Rich Forselius of the Humphreys Branch made this ceremony possible and also gave us a tour of Sikorsky's.

January 3, 2015 I attended the C.A.R. Winter State Meeting in Orange, CT. I was part of the Nominating Committee to elect their new officers. This was a 4 part selection. The first part is based on their activities in which they received points for. Second part is what position they are looking for based on points. Third, part we look at their ages to see if they are mature enough for the position. Forth part their name is revealed and the CAR members on the Nominating Committee make the final decision.

Respectfully submitted,

Ethan A. Stewart Sr., First Vice President
