

Challenge Coin Report for September BOM Meeting

As of August 28

The first state coin was bought with past State President Stewart's budget for \$455.00 and we sold \$240.00 worth of coins at the April meeting.

At that meeting we voted on buying 100 more coins for \$450.00. Out of the sale of those coins we made a profit of \$414.00.

The Awards committee decided to buy 50 more coins with the profit which was \$240.00. As of Sept 2nd, we have received back \$260.00. We still have 18 to sell.
