DAR

Christy Hendrie is CTDAR's new State Regent. Her administration's theme, "Charting the Course," was inspired by the seafaring and shipbuilding for which the State of Connecticut has become known throughout the centuries.

C.A.R.

Dylan Pojano is C.S.C.A.R.'s new State President. His state project is called "Heartsome Harmony." The project will raise funds to support Horns for Kids in Hamden, Connecticut. Horns for Kids, Inc. is a Hamden-based 501(c)3 non-profit corporation that provides donated new and used musical instruments to students throughout Connecticut through their schools. All instruments are cleaned and refurbished before being given to schools which then provide them to students.

You can help by ordering a Heartsome Harmony t-shirt at:
