

DAR/C.A.R. Liaison Committee

I am happy to report that in 2014, Connecticut DAR members have referred 20 prospective members to the SAR.

We started tracking DAR referrals in 2009. Since then, Connecticut DAR members have referred 124 prospective SAR members. Those referrals have resulted in 87 new SAR members.

On Friday, March 27th, I attended Connecticut DAR's 122nd State Conference at the Hartford/Windsor Marriott Airport Hotel in Windsor. At their Awards Banquet, I presented medals to DAR members who have referred three or more approved applicants to the SAR.

MEDAL OF APPRECIATION

DAR members who refer three or more approved applicants to the SAR receive the Medal of Appreciation.

Sarah Atwell of the Jordan Freeman Chapter was awarded the Medal of Appreciation for referring 3 approved applicants.

Gretchen Caulfield of the Hannah Benedict Carter Chapter was awarded the Medal of Appreciation for referring 3 approved applicants.

Louine King of the Abigail Phelps Chapter was awarded the Medal of Appreciation for referring 7 approved applicants.

MARTHA WASHINGTON MEDAL

DAR members who refer ten or more approved applicants to the SAR receive the Martha Washington Medal

Carol Bauby of the Trumbull-Porter Chapter was awarded the Martha Washington Medal for referring 10 approved applicants.

It came as quite a surprise to me when the CTDAR SAR Liaison, Judey Buckbee (my lovely wife), turned the tables and, as a gesture of reciprocity, presented me with a Certificate of Award for having referred 14 prospective members to the DAR which have resulted in 5 approved DAR applicants to date.
