

Report of the CTSSAR Eagle Scout Patriotic Program: April 27, 2019

This year had a decline of one application over last year with 4 applications compared to 5 applications in 2018. This year all 4 of 4 applications were from the Connecticut Rivers Council [CRC]. A CTSSAR review team of four compatriots was assembled to review the applications. Fortunately, we have received confirmation from interested branches that they will assist in recognizing these four fine young men at their branch meetings/functions.

The following is the 2019 status schedule for Eagle Scout Recognition Ceremonies:

- John Farrell, T31, New Milford [CRC] – will be possibly recognized by the Baldwin Branch on their June 2, 2019 meeting in Sandy Hook.
- Ashton Smith, T44 Goshen [CRC] – will be recognized by the Wolcott Branch on July 4th
- Curtis Brown, T109 Naugatuck [CRC] – was recognized by Humphries Branch on March 11, 2019.
- Jacob O'Reilly T9 Cromwell [CRC] – will be recognized by the Nathan Hale Branch on June 15th

This year our State Winner is Jacob O'Reilly [CRC]. Jacob will be recognized as our State Winner at our Annual CTSSAR State meeting on April 27, 2019 at the J. Timothy's Restaurant in Plainville, CT. The state winner has had his application sent to NSSAR to compete at the national level.

Award Medals and patches for all 4 the eagle scouts have been acquired. The medals and the state winner trophy have all been delivered to the engraver for engraving.

Respectfully Submitted;

Timothy C R Wilkins
