

Flag Committee Report

February 2021

On January 2, 2021, I filed the proper report with the NSSAR Flag Chairman, and the NSSAR Executive Director – well before the April 15th deadline – and the NSSAR Flag Chairman has confirmed that he has received it. Therefore, we will once again receive the Adm. Furlong Award at the 2021 SAR Congress.

Five of our nine Branches awarded the SAR Flag Certificate in 2020. My heartfelt appreciation goes out to the following Branches:

- Gen. David Humphreys Branch No. 1
- Gen. Israel Putnam Branch No. 4
- Rev. Ebenezer Baldwin Branch No. 9
- Gov. Oliver Wolcott, Sr. Branch No. 10
- Gov. Jonathan Trumbull Branch No. 13

If all of our nine branches present at least one SAR Flag Certificate in 2021, CTSSAR will be awarded a Certificate of Excellence, as well as the Admiral William R. Furlong Memorial Award.

CTSSAR should be able to get 100% participation from the Branches. Even the most inactive Branch should be able to find one deserving patriot in their area. This is a minimal cost, minimal effort activity with maximum impact for both giver and receiver.

I will continue to email reminders to the Branches throughout the year, to encourage 100% participation.

Fraternally,
Kenneth A. Buckbee, Chairman - CTSSAR Flag Committee
