## Real Property Committee Report

September 13, 2020

This is the shortest report that I have ever submitted. As you know, we did not open the buildings this season due to corona virus concerns, but the grounds at Nathan Hale Schoolhouse in East Haddam remained accessible for visitors. The Nathan Hale Memorial Chapter DAR conducted several social distancing events on the property, after requesting our permission.

During the period from June 6<sup>th</sup> to present, I have visited all properties once a month and have found everything to be in order. The East Haddam property has been well taken of by St. Stephens Episcopal Church.

Spending is down, following the guide lines set forth by this committee. We are doing better than the revised budget projection through 2020. (see attachment) Checking account shows that there is adequate funding to carry us through June 2021.

Respectfully submitted,  
David Packard
