It has been a very slow year. Most applications that came in this year, were either sent through me or 1 or 2 of the Chapter Registrars, etc.

We need to find ways to interest our members to refer others.

Also, I have had a few reports of people that have been approved and have NOT heard from the branch secretaries, or those in charge of new members. This needs to be taken very seriously. We need our new members to feel welcome so that they will become interested in our organization.

Respectfully submitted :

Gregory Evan Thompson
Ct State Registrar
