### **President's Annual Report – April 18, 2015**

While serving as First Vice President I received the resignations from the President, Chancellor, Chaplain, and Treasurer. I agreed to serve as President to complete the present term until April 2015 in order to keep the organization functioning. I have worked with the Board of Managers (BOM) to fill all officer vacancies created as a result of resignations and the resultant shifting of officers to fill those positions. The BOM also approved members for the many vacant positions on committees, including several chair positions.

To address the BOM concerns on insurance and the operation of the properties, I established the Ad hoc Committee on Real Property Oversight and Insurance. This committee has made several recommendations which are now in the process of being implemented.

It was my pleasure to represent the CTSSAR at both DAR and CAR conferences. I was also proud to present the CTSSAR Flag Award last year.

Finally, I have worked closely with Ethan Stewart to ensure a smooth transfer of the presidency. In this continuing period of transition for the CTSSAR, we continue to move forward in many areas such as color guard events, real property operation and maintenance, youth awards, and the capital campaign.

I thank you all for your support and ask that you continue to support my successor.

Respectfully submitted,
