Trustee Report for November 14, 2020

Health issues have prevented me from attending CTSSAR functions to include this meeting. I have however participated on several virtual Trustee meetings. In one sense the cancellations have been fortuitous in that my health would have prevented me from attending the Congress in Richmond and Fall Leadership this past September and allowing me to attend virtually. Recovery is going well and hope to be up to full operating RPM soon.

It is my intention to attend the Spring Leadership Conference March 4-6, in Louisville, Kentucky, providing the conference is not cancelled. Additionally, I am also planning to attend Congress in Renton, Washington, again if it is not cancelled.

Respectfully submitted:
