Trustee Report for the Board of Managers Meeting February 20, 2021

Greetings and salutations to members of the Board of Managers. I continue to pray for everyone's safety and continued good health.

I have participated on the Trustee Zoom Conferences and in particular the Conference calling for the Special Congress to be held in the Washington, DC area on March 13. I voted in favor of calling for the Special Congress to amend our controlling documents to allow for an Electronic Video (Virtual) Congress, if necessary, going forward. It is especially important to have this contingency given the restrictions imposed by the Pandemic.

The Special Congress has a limited agenda dealing only with the above-mentioned amendment to the governing documents. Attendance is limited due to travel and meeting restrictions; therefore, I will not attend.

I will attend virtually the upcoming Veterans Recognition Committee and Trustee virtual Zoom meetings being held in lieu of the Leadership Conference. Additionally, I still plan to attend the next New England District Council and Congress either in person or virtually.

On a personal note, I am saddened to learn of the passing of Randy Gerlander. My deepest sympathy to Lee and Todd during this difficult time.

Respectfully submitted:
